

Cal Blend Soils, Inc. PRICE LIST

<u>PRODUCT</u>	<u>DESCRIPTION</u>	<u>PRICE</u> per cubic yard
COMPOST	A combination of wood shavings & a small percentage of horse humus, composted & screened. 99% weed free.	\$12.50
LEAFPOST	Primarily tree leaves, with very little wood or branch material. Composted to a deep, rich dark color. A premium organic, can be used as an amendment or top dressing.	21.00
FINE LEAFPOST	Exceptionally nutrient rich, great for amending vegetable & flower gardens. Also a premium seed topper; 3/8" minus.	28.00
SUPER FINE LEAFPOST	A 3/16" minus particle size organic, derived from composted leaves. Uses range from sports turf topper to premium amendment.	42.50
CACTUS MIX	A blend of aggregates with a touch of organic combine to create a growing medium that has what drought tolerant plants need; good drainage with adequate moisture and nutrient retention.	47.50
GARDEN MIX	A rich, ready-to-grow blend of our finest organics & soil. For the suburban farmer in all of us.	38.50
GARDEN MIX with Bio start	A sure way to jump start biological activity in your soil, releasing nutrients to the roots for immediate uptake & consumption by plants	58.00
ACID COMPOST	We combined our fine leafpost & bark fines. Recommended for acid loving plants such as roses, azaleas, camellias and gardenias.	34.00
SOIL MIX	A blend of compost & topsoil; <u>average</u> organic content 65%.	16.50
HEAVY SOIL MIX	Our regular soil mix with less organic & more topsoil added. An <u>average</u> ratio of 50% organic & 50% aggregate.	17.50
EXTRA HEAVY SOIL MIX	This well amended medium is lighter than topsoil; well suited for elevating the soil level where needed.	19.00
AMENDED TOPSOIL	Topsoil with a dash of extra organic.	21.00
TOPSOIL	Varies from a sandy loam to loamy sand, with a <u>slight</u> organic content.	20.00
MULCH	Shredded wood chips derived from local tree trimmings, well composted, dark in color. Screened particle size of 1/2" - 2 1/2".	19.00
FINE MULCH	1/4"-1 1/2" particle size provides a more refined, less coarse look.	25.00
FOREST FLOOR	Coarsely ground tree trimmings composted to a rich dark color; 1/2" - 5+.	19.50
RUFF CUT	100% natural raw wood chip, uniform size & rough texture; 1/2" - 1 1/2".	40.00
